Work through each section, completing all requests for your input. You **MUST** save occupations and areas of study (majors) that you're interested in or no information will appear in your portfolio!

To discuss your results, call 805-437-3270 for an appointment with a [Career Counselor](#).

How much time does it take to use FOCUS?

Typically, the total time spent by students the first time they use the program ranges from 15 minutes-1 hour. Working through the program does not have to be done in one sitting. You can log back in at any time. Use on your phone, tablet or any device.
