DISBURSEMENTS

CHECK REQUESTS:

Expenses are processed once original invoices, not statements, (with the exception of Credit Cards) are received by Accounting.

Accounting stamps invoices with the received date and forwards them to the Director of Student Leadership and Development.

A Check Request Form must be filled out for direct pay invoices and the invoice must be stapled to the Check Request Form.

A Travel Expense Claim Form must be filled out for travel expense reimbursement. Receipts substantiating expenses must be attached. If a receipt is missing, then a Lost/Missing Receipt form must be attached.

Other employee or student reimbursements are submitted via Check Request.

Purchase Order (P.O.) invoices are sent to ASI from Accounting. P.O. invoices are stamped by Accounting and the P.O. number is recorded on the stamp. The invoices are then forwarded to the Director of Student Leadership and Development for approval.

Note: In cases where ASI is paying for meals or catered events, a meeting agenda and list of attendees must also be attached to the check request or invoice. The purpose for the meeting must be clearly noted on the check request. If the event is community or campus wide and it is impractical to expect a list of attendees, an event flyer will suffice.

Check Requests and/or stamped invoices are forwarded to the Director of Student Leadership and Development or the Associate Dean of Student Life for review and signature.

Check Requests, invoices and support documents are copied.

Original documents are then sent to Accounting for payment. Accounting will date stamp documents upon their receipt and forward them to the ASI Treasurer for review and signature approval. Documents are returned to Accounting and the data is then entered into the accounting system for payment. When it is unavoidable to pay from an invoice copy, AP must verify against records that the invoice has never been paid. The invoice must then be stamped with the non-payment affirmation stamp. The AP manager signs on the signature line of the stamp.

ASI checks are prepared every Thursday. Paperwork must be submitted to Accounting by the previous Friday.

CREDIT CARDS:

Credit Card statements arrive once a month. Credit Cards are registered in the name of individuals and monitored by the Director. A Credit Card reconciliation should be filled out on the proper reconciliation form for each Credit Card statement received.

A copy of the invoice or receipt for each item **MUST** be attached to the reconciliation and statement. If a receipt is missing, a Lost/Missing Receipt Form must be filled out and attached to the reconciliation and statement.

The packet is then submitted to the cardholder for signature followed by the Director of Student Leadership and Development, ASI Treasurer, or University President for approval signature.

Accounting will enter data into accounting system for payment.
