

Shopping Cart Validation

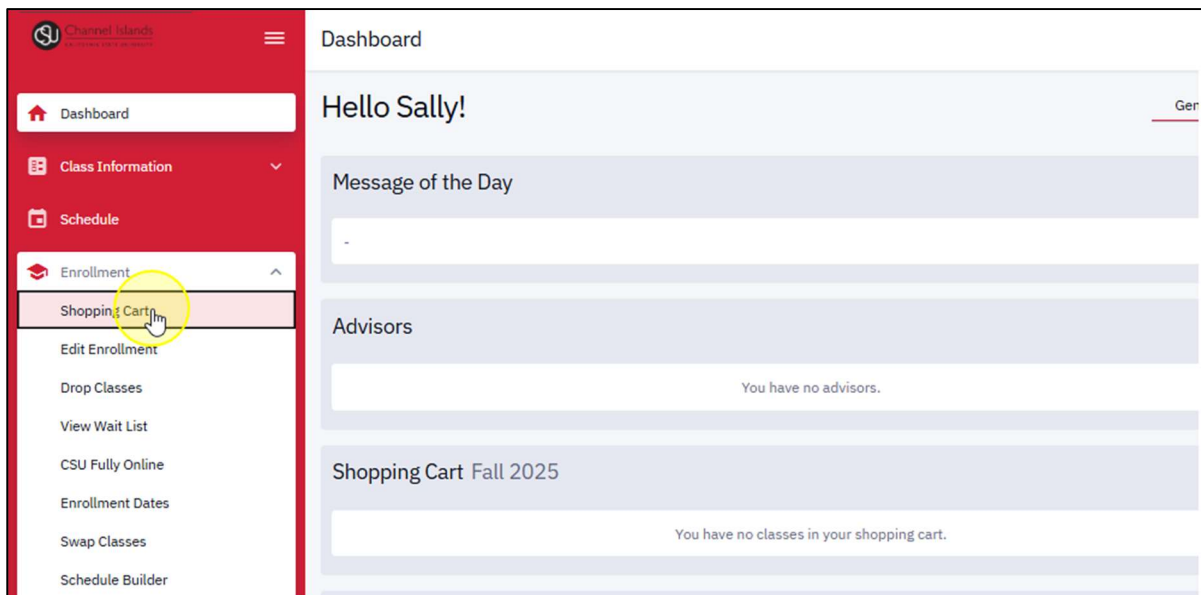

Check if you have met the pre-requisites for a class before you enroll by using shopping cart validation. You can also determine if you have time conflicts or other registration issues that you can resolve before your enrollment appointment.

Navigation:

1. Log into myCI and Click the CI Records Tile.
2. From your Dashboard, click on the Enrollment drop-down.

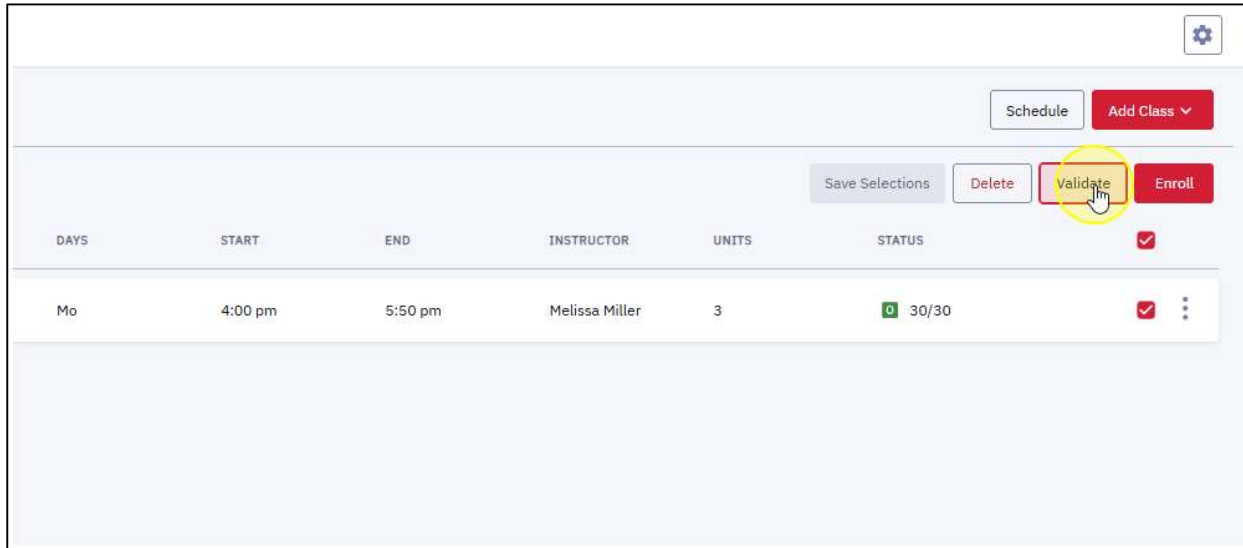

3. Click "Shopping Cart"

Shopping Cart Validation

4. Click the check box to select which classes you would like to select for validation and click “Validate”.

DAYS	START	END	INSTRUCTOR	UNITS	STATUS	
Mo	4:00 pm	5:50 pm	Melissa Miller	3	30/30	☒

5. Validation results will pop up. Click “OK” to exit.

IMPORTANT: If a potential problem exists, validation will display that message. Successful validation does not guarantee enrollment in a course.
