Matt Hughes
Senior Network Analyst, Information Technology Services

It's been nearly 14 years since Matt started at CSUCI. Matt will continue his career in the CSU - working at the Chancellor's Office. Not only will we miss him in the office, but we will miss him during Corporate Games. Thank you, Matt, for helping to build camradarie, win medals, and boost morale.

Ana Paula Dutra

Extended University was lucky to have Ana for two years. Ana worked at CI's Goleta campus. She did everything to make sure that the satellite campus was always functioning and she never missed a beat. EU staff, and the students in our Goleta programs will miss her.
